

USA EXPORT PROMOTION

The Royal Danish Embassy in Washington D.C., Naval Team Denmark and Danish Defence and Security Industries Association have the pleasure to invite you to an export promotion tour in the USA, April 10 to 15 2016. The tour is an opportunity to visit and meet several big and medium sized American companies, some with an offset obligation in Denmark others without. A part of the program is an event at The Royal Danish Embassy at which a number of US companies not included in the visits will participate.

Note: Participants must book and pay for transportation and accommodation them self. To optimize networking opportunities transport and accommodation is suggested for each day of the visit though.
